The application has been amended as follows:

Applicant's election without traverse of the invention of Group II, claims 14-19 and 21 in the reply filed on September 20, 2005 is acknowledged.

Claims 14-19 and 21 are allowed.

This application is in condition for allowance except for the presence of claims 1-13 and 20 to an invention non-elected without traverse. Accordingly, claims 1-13 and 20 have been cancelled.

The following is an examiner's statement of reasons for allowance:

The prior art fails to anticipate or properly render obvious a flap valve including a valve membrane having a plurality of flaps, an inner frame having the same plurality of windows, each of a size smaller than the flaps and an outer frame having the plurality of windows, each of a size larger than the size of the flaps.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
